Claire the Bakers:

One of the nicest wee cafes in Ireland. Really tasty homemade quiches, baked potatoes and sandwiches.

Their treats and pastries are renowned. They are handmade and look as good as they taste.

Nancys Barn

A favorite lunch spot of ours. The chef/owner won All-Ireland Chowder Cook-Off in 2016, and World Chowder Championships in The USA 2017. While this is a big draw, the Glashedy stack and all of the other bits on their menu are also simply delicious.

Cúl a' Tí

They do a limited offering of coffees, treats and then a few menu items. They have an excellent vegetarian breakfast bap, and sensational salted chocolate brownie. Culdaff is ten mins drive from Carndonagh, but this café is nearby Culdaff beach which is a wonderful walk.
